LEGISLATIVE DEPARTMENT.

NOTIFICATION.

Simla, the 5th May 1915.

An Ordinance to provide for the special protection in respect of civil and revenue litigation of Indian soldiers serving under war conditions.

WHEREAS an emergency has arisen which renders it necessary to provide for the special protection in respect of civil and revenue litigation of Indian soldiers serving under war conditions.

Now, therefore, in exercise of the power conferred by section 23 of the Indian Councils Act, 1861, the Governor General is pleased to make and promulgate the following Ordinance:— 24 and 25 Vict., c. 67.

ORDINANCE No. II OF 1915.

Short title and extent. 1. (*1*) This Ordinance may be called the Indian Soldiers (Litigation) Ordinance, 1915.

(*2*) It extends to the whole of British India, including British Baluchistan.

Definitions. 2. In this Ordinance, "Indian soldier" means any person subject to the Indian Army Act, 1911, VIII of 1911.

"prescribed" means prescribed by rules made under this Ordinance,

"proceeding" includes suit and appeal,

"serving under war conditions" means serving out of India or serving in India when such service has been declared by notification of the Governor General in Council in the *Gazette of India* to be service under war conditions.

Particulars to be furnished in plaints, applications or appeals in Civil or Revenue Court. 3. If any person presenting any plaint, application or appeal to any Civil or Revenue Court has reason to believe that any adverse party is an Indian soldier who is serving under war conditions, he shall state the fact in his plaint, appeal or application.

Notice to be given in case of deputed Indian soldier. 4. If any Civil or Revenue Court has reason to believe that any party to any proceeding pending before such Court is an Indian soldier who is serving under war conditions and that such soldier is not represented in the proceeding by any person duly authorized to appear, plead, or act on his behalf, such Court shall give notice thereof in the prescribed manner to the prescribed authority.

Postponement of proceedings. 5. On receipt of a notice under section 4, the prescribed authority may, if it is of opinion that a postponement of the proceeding as against such soldier is necessary in the interests of justice, certify the fact in the prescribed manner to the Court in which the proceeding is pending and thereupon such Court shall postpone the proceeding as against such soldier for the prescribed period or, if no period has been prescribed, for such period as it thinks fit.

Court may proceed when no certificate received within certain period. 6. If, after the issue of a notice under section 4, the prescribed authority either certifies that such postponement is not necessary or fails to reply to the case of a soldier resident in the district in which the Court is situate within two months, or in any other case within three months from the date of the issue of the notice under section 4, that such postponement is necessary, the Court may, if it thinks fit, continue the proceeding.

Power of Collector to intervene and recite. 7. If the Collector has reason to believe that any Indian soldier who ordinarily resides, or who has property, in his district and is serving under war conditions, is a party to any proceeding pending before any Civil or Revenue Court and that such soldier is not represented in such proceeding by any person duly authorized to appear, plead, and act on his behalf, the Collector may, if he is of opinion that a postponement of the proceeding as against such soldier is necessary in the interests of justice, certify the fact in the prescribed manner to such Court, and if the Court is satisfied that such Indian soldier is not so represented, the Court shall postpone the proceeding as against such soldier in the manner provided in section 5.

Power to set aside decrees and orders passed against an Indian soldier serving under war conditions. 8. (*1*) In any proceeding before a Civil or Revenue Court in which a decree or order has been passed against any Indian soldier who at such soldier was serving under war conditions, such soldier may apply to the Court which passed the same for an order to set it aside; and if he satisfies the Court that default after the commencement of this Ordinance has been made in complying with the provisions of section 3 or 4, the Court shall, or in any other case if the interests of justice require such a course, the Court subject to such conditions (if any) as it thinks fit to impose, may make an order setting aside the decree or order as against such soldier:

Provided, firstly, that any such application be made within three months from the date on which such soldier ceased to serve under war conditions; secondly, that no decree or order shall be set aside on any such application unless notice thereof has been served on the opposite party; and thirdly, that when the decree or order is of such a nature that it cannot be set aside as against such soldier only, it may be set aside as against all or any of the parties against whom it was made.

(*2*) The provisions of section 5 of the Indian Limitation Act, 1908, shall apply to applications under this section. IX of 1908.

(*3*) Where an order is made in the exercise of the power conferred by sub-section (*1*), the Court shall continue the proceeding.

Power of Civil or Revenue Court to refer questions of whether service was under war conditions or not

8. If any Civil or Revenue Court is in doubt whether any Indian soldier is or was at any particular time serving under war conditions, such Court may refer the point for the decision of the prescribed authority and the certificate of such authority shall be conclusive evidence on the point.

Rule-making power.

10. The Local Government, after consulting the High Court, may, by notification in the local official gazette, make rules—

(a) prescribing the manner and form in which any notice or certificate under this Ordinance shall be given and the authorities to whom such notices shall be given and by whom the powers under this Ordinance shall be exercised,

(b) the period for which proceedings or any class of proceeding shall be suspended under this Ordinance, and

(c) generally providing for any matters incidental to the purposes of this Ordinance.

Modification of law of limitation in the case of Indian soldiers serving under war conditions

11. In computing the period of limitation prescribed by the Indian Limitation Act, 1908, or any other law for the time being in force for any suit, appeal or application to any Civil or Revenue Court in which the plaintiff, appellant or applicant is an Indian soldier, the time during which such soldier has been serving under war conditions, since the 4th of August, 1914, shall be excluded. No 243.—The following resolution of the Government of India is republished:—

DEPARTMENT OF COMMERCE AND INDUSTRY

(EMIGRATION)

Simla, the 3rd September 1914

No. 3753–3774–24.

Resolution.—The following procedure has been arranged by the Government of India in discussion with the Government of the Union of South Africa to facilitate the admission into the Union of the wives and minor children of Indians resident in that country.

2. The husband or father resident in South Africa who desires to obtain a certificate of relationship from a magistrate in India to facilitate the admission into the Union of South Africa of his wife or children under the age of sixteen years will, in the first instance, make application in the prescribed form to the immigration authorities in South Africa or to the magistrate of the district in South Africa in which he is residing and on obtaining from the proper officer in South Africa a certificate in respect of his application will transmit the same to his wife or child, as the case may be, for production with his application for a certificate of relationship before the principal local magistrate in India, viz., the Chief Presidency Magistrate in a Presidency town, the Political officer in a Native State, or the District Magistrate elsewhere.

3. The principal local magistrate in India on receipt of such application and on production before him of the certificate issued in South Africa will institute an enquiry either personally or through an officer not below the rank of a Deputy Tahsildar, a Sub-Deputy Collector or a Mamlatdar according to the province concerned, and if the senior magistrate is satisfied as to the alleged relationship, he will grant a certificate of relationship in the attached form in favour of the person (or persons) referred to in the application who will present it to the Immigration officer at the port of entry in support of $\frac{\text{her}}{\text{his or their}}$ claim to admission into the Union.

No. 356.—The following notifications of the Government of India are republished :—

LEGISLATIVE DEPARTMENT.

Simla, the 6th May 1915.

No 28.—The following Proclamation by His Excellency the Governor-General, dated the 30th April 1915, is hereby published for general information :—

PROCLAMATION.

In pursuance of Order XLVI of the Prize Court Rules, 1914, I hereby proclaim the following amendments made by order of His Majesty in Council in the said Rules as subsequently amended :—

1. In Order IX (Discovery, Inspection and Admission of Documents and Facts) of the said Rules :—

In Rule 1, the words "upon filing an affidavit" shall be omitted.

In Rule 1, instead of the words "any other party" there shall be substituted the words "any party other than the proper Officer of the Crown."

2. In Order XI (Sale, Appraisement, Safe Custody and Inspection of Prize) of the said Rules, in Rule 1, the following words shall be omitted :—

"on account of the condition of a ship, or on the application of a claimant, and on or after condemnation."

3. In Order XV (Evidence and Hearing) of the said Rules, the following Rule shall be added :—

"21. Notwithstanding anything contained in these Rules, the proper Officer of the Crown may apply to the Judge for leave to administer interrogatories for the examination of any person whether a party to the cause or not."

4. Order XXIX (Requisition by Admiralty) of the said rules, shall be, and the same is hereby, revoked, and in lieu thereof the following order shall have effect :—

"ORDER XXIX.

"*Requisition.*

"1. Where it is made to appear to the Judge on the application of the proper Officer of the Crown that it is desired to requisition on behalf of His Majesty a ship in respect of which no final decree of condemnation has been made, he shall order that the Ship shall be appraised, and that upon an undertaking being given in accordance with Rule 5 of this Order, the Ship shall be released and delivered to the Crown.

2. Where a decree for the detention of a Ship has been made in accordance with Order XXVIII, the proper Officer of the Crown may file a notice (Appendix A, Form No. 55) that the Crown desires to requisition the same, and thereupon a Commission (Appendix A, Form No 59) to the Marshal directing him to appraise the Ship shall issue. Upon an undertaking being given in accordance with Rule 5 of this Order, the Ship shall be released, and delivered to the Crown.

Service of this notice shall not be required before filing, but copies thereof shall be served upon the parties by the proper Officer of the Crown as soon thereafter as possible.

3. Where in any case of requisition under this Order it is made to appear to the Judge on behalf of the Crown that the Ship is required for the service of His Majesty forthwith, the Judge may order the same to be forthwith released, and delivered to the Crown, without appraisement.

4. In any case where a Ship has been requisitioned under the provisions of this Order and whether or not an appraisement has been made the Court may, on the application of any party, fix the amount to be paid by the Crown in respect of the value of the Ship.

5. In every case of requisition under this Order an undertaking in writing shall be filed by the proper Officer of the Crown for payment into Court on behalf of the Crown of the appraised value of the Ship, or of the amount fixed under Rule 4 of this Order, as the case may be, at such time or times as the Court shall declare by Order that the same or any part thereof is required for the purpose of payment out of Court.

6. Where in any case of requisition under this Order it is made to appear to the Judge on behalf of the Crown that the Crown desires to requisition the Ship temporarily, the Court may, in lieu of an Order of release, make an Order for the temporary delivery of the Ship to the Crown, and subject as aforesaid the provisions of this Order shall apply to such a requisition ; provided that in the event of the return of the Ship to the custody of the Court, the Court may make such Order as it thinks fit for the release of the undertaking

3

given on behalf of the Crown or the reduction of the amount undertaken to be paid thereby, as the case may be; and provided also that, were the Ship so requisitioned is subject to the provisions of Order XXVIII, Rule 1, relating to detention, the amount for which the Crown shall be considered liable in respect of such requisition shall be the amount of the damage, if any, which the Ship has suffered by reason of such temporary delivery as aforesaid.

7. The proceedings in respect of a Ship requisitioned under this order shall continue notwithstanding the requisition.

8. In any case of requisition of a Ship in respect of which no cause has been instituted, any person interested in such Ship may, without issuing a Writ, provided he does not intend to make a claim for restitution or damages apply by summons for an Order that the amount to be paid in respect of such ship be fixed by the Court, and the Judge may, on the hearing of such summons, order the Ship to be appraised or to be valued or give such other directions for fixing the amount as he may think fit."

5. In Form 4 in Appendix A to the said rules there shall be omitted the words "Commander of Our Ship of war" and the words "taken and seized as prize by Our said Ship of war."

ADMISSION OF STUDENTS INTO THE GOVERNMENT TRAINING SCHOOLS IN THE NINTH CIRCLE.

The Inspector of Schools, Ninth Circle, hereby notifies for the information of the Assistant and Sub-Assistant Inspectors of Schools and the Managers of aided schools, that candidates of the secondary and elementary grades will be admitted for training in the beginning of July 1915 in the following government Training Schools under his charge.

Number.	Name of institution.	Number of stipends available			
		Secondary.	Elementary, Higher.	Elementary, Lower.	Total.
1	Government Secondary Training School, Mangalore	6	..	..	6
2	Government Higher Elementary Training School, Mangalore.	..	24	28	52

2. The period of training is one year in the case of secondary students and two years in the case of elementary students.

3 The Inspector will make the selection on the recommendation of the subordinate Inspecting officers

4. The Sub-Assistant Inspectors are requested to submit to the Inspector two lists—one of selected and the other of rejected candidates

The names of selected candidates should appear in the list in the order in which the Sub-Assistant Inspectors wish they should be taken, *i.e.*, they should be selected in reference to their general education attainments, their service as teachers, the need for their training and the nature of their appointments and the school from which they apply for training Candidates who do not satisfy the condition of age limit under rule 114 of the Madras Educational Rules should not, except in very special cases, be included in the list and the selection should be regulated as far as possible by rule 115. In the case of rejected candidates, the reasons for rejection should be noted against each

5 To provide for the contingency of some of the candidates selected not joining the training school, a few more than the sanctioned number will be selected by the Inspector of Schools from each range All selected candidates who present themselves at the Training Schools on the opening day will be admitted: those who present themselves later will be admitted in the order in which they come, but only up to the limit of sanctioned vacancies.

6 The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession

7. In the selection of candidates for training, those who were awarded stipends last year but were refused admission on account of their not appearing in time might have a first claim for admission

8. In addition to Provincial stipendiaries, candidates whose stipends are paid by Local or Municipal funds will be admitted for training, as also private candidates as free students. No Provincial stipends will be sanctioned for teachers who hold permanent appointments in Board and Municipal schools

9. For admission to the Secondary Training Class, candidates should have passed the late F.A. or Matriculation Examinations. Persons holding such Secondary School-Leaving Certificates signed by the Secretary to the Board for the award of such certificates as are accepted by the Inspector may also be selected. Teachers who have passed the annual examination of the third form or seventh standard, or have been awarded an Elementary School-Leaving Certificate of the seventh standard are eligible for admission into the Higher Elementary Training Class. Those who have passed the late Primary Examination or a corresponding public or school examination or whose attainments are, in the opinion of the Inspecting officers, not lower than these are eligible for admission into the Lower Elementary Training Class.

Applications should be accompanied by certificates of general education and conduct in original. Certificates of physical fitness may be produced at the time the students are admitted for training.

10. Printed forms of applications can be obtained by the correspondents of secondary schools from the Inspector of Schools and all others should apply to the Sub-Assistant Inspectors of Schools of their ranges.

11. Applications completed in accordance with the above instructions should reach the Inspector before the 20th May 1915.

4. The assessment on the said land shall be liable to periodical revision in the same manner as that on ordinary ryotwari land, but no portion of the land will, at any time, be assessed at a rate higher than the appropriate dry, wet or garden rate for such land under the general scheme of settlement for the taluk in which the land is situated.

5. Government reserves to itself all gold and other minerals, coal and stone or rock containing or supposed to contain gold or other minerals, and coal known to exist or which may, at any time hereafter, be discovered on, in, or under the said lands or any part thereof, together with full and free liberty and right of ingress, egress and regress by nearest way at all times for Government servants, agents and workmen, and all persons duly authorized by Government in and upon the said lands, and either with or without horses and other cattle, carts, waggons, and other carriages and to erect on the said lands and use any engines and machinery for the purpose of searching for, working, getting and carrying away such gold and other minerals and coal and also to sink, drive, make and use upon the said lands, mines, pits, shafts, drifts, adits, cut-courses and water-courses, and to use all water which may be lifted or raised from the same; also to appropriate and use any parts of the surface of the said lands for placing thereon the minerals, waste, rubbish and other substances got from such mines, and generally to do all acts and things necessary or proper for working and getting such gold and other minerals and coal and rendering same merchantable, Government paying or rendering compensation to the purchaser, his heirs, representatives and assigns for all damage he or they shall sustain by reason of the exercise of such right of way or by the erection and use of any such engines, machinery, or works or the exercise of all or any of such rights.

5a. The Government also reserve to themselves the right to control and regulate at their absolute discretion, the collection, retention, and distribution of the water in or under the said lands or any part thereof, of all rivers and streams flowing in natural channels and of natural lakes and ponds or of the water flowing, collected, retained or distributed, in, or by any channel or other work constructed at the public expense and in particular to interrupt or make material alteration in the quantity, quality, direction, force or temperature of the said water and to cut off, stop and hinder the whole or any portion of the supply of the said water without being liable in any case to pay compensation for so doing.

6. All existing and customary rights of Government and of the public in all existing roads and paths and in streams of water in the land shall be reserved.

7. All parties having claims on the said lands incompatible with the sale as herein notified are hereby required to prefer their claims on or before the day aforesaid to the undersigned.

The sale will be stopped or postponed as the case may require—

(1) If the applicant fails to deposit the charges for survey and demarcation of the lands where such survey or demarcation is necessary.

(2) If the application has been withdrawn by the applicant and the Collector decides in the public interests not to proceed with the sale.

(3) If the survey and demarcation of the lands have not been completed.

(4) If the sale has been ascertained to be objectionable on public grounds.

(5) If any claim of private ownership or exclusive occupancy or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

The sale will be made subject to the following conditions :—

CONDITIONS OF SALE.

1. That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arises between two or more bidders at the same price, the lot shall be immediately put up again at the last preceding undisputed bidding and re-sold.

2. That immediately after the lot is knocked down the purchaser thereof shall pay to the Collector or the officer authorized by him to conduct the sale a deposit of Rs 10 per centum in part payment of his purchase-money and shall, at the same time, sign an acknowledgment in Form Y.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase-money, and shall thereupon receive a patta for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs 12 per cent. per annum on the remainder of his purchase money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition, provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6 That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited, and retained by Government, and the Government shall be at liberty to re-sell the lot either by public auction or private contract without the necessity of previously granting a patta to the purchaser; and the deficiency, if any, arising from such re-sale, together with all expenses attending it, shall be made good by the purchaser at the present sale who shall so neglect or refuse as and for liquidated damages.

7 That the assessment on the land shall be paid from fasli 1325 f.s., from 1st July 1915.

The Standard Barometer and Thermometers are read at 8 A.M., 10 A.M., 4 P.M., and 8 P.M., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The cistern of the Barometer is twenty-two feet above the level of the sea, and the receiver of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 11·03 inches, the average due for the same period being 3·36 inches.
